Highlights

32mm speaker drivers
32mm high intensity drivers for big, clear bass

Adjustable earshells, headband
The adjustable earshells are designed to always fits your head so you don't even notice you are wearing them.

Bluetooth technology
Pair your headphones with any Bluetooth device to enjoy crystal clear wireless musical entertainment.

Closed-back design
A closed back design isolates music from external sound, allowing you to enjoy music with the fine details and dynamic base it was created with.

Flat foldable design
Designed to give you the best experience on the go, these bluetooth headphones can be easily folded away for easy portability and storage. Its clever design features carefully selected components, including hinges that allow the headphone parts to be moved with ease.

Soft, comfortable ear cushions
Soft ear cushions for long listening comfort

Wireless music & call control
When it comes to endless music listening pleasure and hassle-free switching between music and calls, nothing beats Bluetooth! To enjoy your favorite hits, pair your Philips headset with your Bluetooth-enabled smart phone or tablet, then all it takes is a tap on each earshell's intuitive control to change the volume or pause a song while you handle incoming and outgoing calls.
